LINCOLN FETE Fred Clark Scribner Jr., general counsel of the Republican National Committee and a native of Maine, will be the speaker at the annual Lincoln Day dinner February 16 at 7 p.m. in the Gettysburg High School cafeteria, H. Earl Pitzer, Aspers, chairman of the Adams County Republican Committee, announced today.

Scribner was born at Bath, Me. in 1908 and after graduation from Deering High School studied at Dartmouth College where he was elected to the Phi Beta Kappa honor society. He received his law degree from Harvard in 1933 and was admitted to the bars of Maine and Massachusetts in the same year.

In November, 1946, he was elected to the staff of the Bates Manufacturing Co., Lewiston, Me., and remained there until 1955 when he resigned to join the Treasury Department as general counsel in President Eisenhower's administration to head the legal division. In 1957 he was appointed as an assistant secretary and given responsibilities for administration of internal revenue laws. Three months later he became undersecretary to Robert R. GETTYSBURG PENNSYLVANIA January 26, 1961 Mr. Paul Roy, Editor The Gettysburg Times Gettysburg, Pennsylvania Dear Mr. Roy:

I want to express publicly my thanks to the Highway Department of the Borough of Gettysburg for the superior job they have done, and are doing, this winter in snow removal.

I have had occasion to visit York, Pennsylvania, after each of the heavy snows of these last two months. At each visit I am filled with pride for Gettysburg. I have been told of similar comparisons one could make with other cities, much larger and wealthier than Gettysburg. We all should be thankful we have officials and employes who take pride in their jobs and do a splendid one.

FIREMEN FIND NO ONE HOME

Gettysburg firemen were called at 3:53 o'clock this morning to a fire at 146 Breckenridge St. and found a smouldering mattress and a minor mystery.

A man identified by Quick Call Operator Murray Wentz as Raymond Cullison came into the engine house about 4:53 and after some hestitation reported smoke coming from a house on Breckenridge St. and then left. Wentz understood the visitor to say 43 Breckenridge St.

Firemen went to the first block of Breckenridge St., found no lights in any of the buildings, nor any evidence of fire. They continued their search west on Breckenridge St. and when they entered the second block they found

FORCED ENTRANCE

When they arrived at 146 Breckenridge St., they found no lights on in the house but smoke issuing from the building.

Forcing an entrance the firemen found no one in the house but the upstairs was filled with smoke. A door at the top of the stairway had to be forced. At the bottom of the stairway in the kitchen, a window was open and a blind had been apparently knocked from the window and nung by one fixture.

Good Business On Sales Day

Gettysburg merchants today expressed their pleasure with the response to the first of two sale days, the first this year.

"We hardly expected the response that we enjoyed this morning," a spokesman for the Retail Merchants Association said. "The snow of Thursday night, although not as much as we expected, and the continued cold weather we felt would keep our customers at home this morning. But apparently they were undaunted by the inclement weather and many took advantage of our bargain offerings."

The sale continues up to 9 o'clock tonight and again on Saturday until 9 p.m. Each participating merchant will award a \$5 and \$10 merchandise certificate Saturday evening.

DEAF MAN PERFECTS SMALLEST HEARING AID

YORK, PA .- (Special)-A remarkable midget hearing aid has been perfected by a man who has been hard of hearing for nearly ten years.

This small aid has no dangling cords or separate transmitting units and represents a most unusual idea and design in a prod-uct for the hard of hearing.

It is especially made for those people who can hear but not understand. This new hearing instrument provides "ear-level" hearing with the wearer picking up speech, sounds, television, and radio at his ear rather than at a transmitter located in the wearer's clothing.

Due to the use of 4 transistors, the user cost is extremely low and the instrument weighs approximately 4-ounce. It is about the size of a sewing thimble.

Write to E. Trimmer, or call at 208 E. Market Street, York, Pa. You will receive full information without any obligation what-

"THROUGH IT ALL"

Through it all you stood beside me . . . not once did you turn away . . . your warm words of understanding . . . indeed were my heart's bouquet . . . when my dreams were cold and faded . . . your sweet smile

kindled a flame . . . giving me the faith to journey . . . onward with steady aim . . . would that words could justly tell of . . . all the things you are to me . . . I could pen a verse so perfect . . . every phrase would rock the sea . . . but mere words can only fashion . . . minute segments of your worth . . . yet to me

you are the greatest . . treasure of heaven and earth . steadfast as the dawn and sunset . . . with the power to enthrall . . . I will be forever thankful . . . you were with me through it all.

HARRISBURG (AP)- Farrell's defending state PIAA Class A champions have bounced back in the title picture.

The Steelers did it the hard way, beating Sharon, 55-43, on the latter's court Tuesday night. It was Sharon's first defeat of the season, after 15 wins

Farrell still must beat Sharon another time in its league campaign, but the Tuesday night victory on the foreign court was considered its key victory in its comeback after two upset defeats earlier this month.

MAY HAVE PLAYOFF

The next Sharon-Farrell encounter, at Farrell, comes at the close of the WPIAL-Section 3 schedule. The prospects are, if Farrell wins, that a playoff will be necessary to decide the section's representative in the WPIAL-A play-

A West Central league game this week between Johnstown was practically a two-man show. Phil Albert scored 46 points for East Conemaugh and Fred Garbinski 44 points for Johnstown Catholic as the latter, defending state PCIAA-A champs, won 75-70.

SETS RECORD

Another scoring feat worth noting was the 50 points by Palmerton's Bill Heydt, a 6-foot-4 sophomore, against Stoudsburg last Saturday.

Heydt's effort established a new Lehigh Valley league record. breaking the mark of 48 held jointly by two Palmerton predecessors. One of them is Bob Mlkvy, Auerbach, who has guided the of the University of Pennsylvania, 1956. It was matched by Ray Carazo in 1959.

BRIDGE TO GOD'S WORLD

The bridge, what a miracle! Tons of steel hanging in air . . . spanning miles of water . . . supporting an unending line of cars like so many ants.

And what a boon to man! The bridge saves untold hours and opens up new vistas of life.

The bridge of prayer, what a miracle! Spanning Heaven and Earth . . . carrying the needs and hopes of believing hearts. What a boon to man! The bridge of prayer opens up new paths of creative living and vistas into the realm of Heaven.

In Church you can discover prayer—the bridge which leads to God's world.

THE CHURCH FOR ALL . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They ares (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

For example, the task force urged Kennedy to "pursue effecively" steps ordered earlier by Eisenhower in his effort to attack the gold-dollar problem.

The group thus indirectly endorsed Eisenhower's controversial move to gradually reduce the number of military dependents abroad.

Kennedy told his news conference the administration is reviewing the implications of Eisenhow er's order. He said the question is whether some less harmful alternative would be equally effective in protecting the dwindling gold supply. He indicated no decision had been made yet.

people of pennsylvania:

DON'T LET THEM RAILROAD YOU INTO HIGHER GASOLINE TAXES

Good highways are absolutely essential to all of us who work and reside in this great state of Pennsylvania, so it goes without saying that we're all for better highways. In fact, we've always supported reasonable, well-planned legislation designed to meet the public need and to deliver the most highway value for your gasoline tax dollar.

But the Governor's action in attempting to ram through legislation increasing your gasoline tax from 5 cents to 7 cents per gallon has been taken without regard for facts, need, or your pocketbook.

In fact, this whopping increase is being railroaded through without public hearings. It has already been pushed through the House in a special midnight session. The next speedy step before you are saddled with additional gasoline taxes is the Senate. It seems that the Governor wants to present the people of Pennsylvania with a 40 per

cent increase in their state gasoline taxes before they have time to ask ques-

And many questions should be asked. For example, is the doubling of the work on nonfederal aid constructionas proposed by the Governor-necessary? Will State Highways Department be able to complete this vast construction project-without wasting public funds-in a single year? Or is the Governor trying to collect in a single year funds that might logically be expended over a two- or three-year period?

These are questions that you should ask your State Senator. Get in touch with him by telephone, telegram, or letter. But let him hear from you today. Time is short—and tomorrow might be too late. Remember it is your money that's involved, and you are entitled to the facts as to how and why it is needed. Ask your State Senator today. Tomorrow might be too late.
